

Air That I Breathe

Intro: [Asus2] [G6] [Asus2] [G6] [D]

[A] If I could make a wish [C#] I think I'd pass,
[D] Can't think of [Dm] anything I [A] need.
No cigarettes, no sleep, no [C#] light, no sound,
[D] Nothing to [Dm] eat, no books to [A] read.

[C#m] Making love with you has left me
[Dm] peaceful, warm and [A] tired.
[C#m] What more could I ask? There's nothing
[Dm] left to be de[A]sired.

[A] Peace came upon me and in [C#] peace we weep
[D] So sleep, silent [Dm] angel, go to [A] sleep

Chorus:

[A] Sometimes all I need is the [E] air that I breathe
and to [A] love you

All I need is the [E] air that I breathe, yes,
To [A] love you.

All I need is the [E] air that I breathe [Em] [D] [A] [E]

Instrumental: [Em] [D] [A] [E]

Repeat verse 3 and chorus to fade
