

# All The Good Times

Intro: [A] [A] [D] [A] [A] [A] [E7] [E7] (First verse)  
[A] [A] [D] [A] [A] [E7] [A] [A]

Chorus:

[A] All the good times are [D] past and [A] gone  
All the good times are [E7] o'er  
[A] All the good times are [D] past and [A] gone  
Little darlin' don't you [E7] weep no [A] more

[A] I wish to the Lord I'd [D] never been [A] born  
Or died when I was [E7] young  
I [A] never would have seen your [D] sparklin' blue [A] eyes  
Or heard your [E7] lying [A] tongue

Chorus

[A] The very first time your [D] lips touched [A] mine  
You stole my heart a[E7]way  
[A] Now misery will [D] follow [A] me  
Until my [E7] dying [A] day

Chorus

[A] Come back, come back my [D] own true [A] love  
And stay a while with [E7] me  
[A] For if ever I've had a [D] friend in this [A] world  
You've been a [E7] friend to [A] me

Chorus

Little darlin' don't you [E7] weep no [A] more [D]\ [A]
