

# Come Monday

[A] Headin' up to [D] San Francisco  
 [E7] for the Labor Day [A] weekend show  
 I've got my hush [D] puppies on  
 I guess I [E7] never was meant for  
 glitter [A] rock and roll  
 [Bm7] And honey [D] I didn't know  
 [E7] that I'd be missin' you so

Chorus:

Come [D] Monday it'll [A] be all right  
 Come [D] Monday I'll be [E7] holding you tight  
 I spent [A] four lonely [C#m7] days in a [D] brown L.A. [E7] haze  
 and I [D] just want you [E7] back by my [A] side

Yes it's [D] been quite a summer  
 [E7] rent-a-cars and [A] west bound trains  
 And now you're [D] off on vacation  
 [E7] somethin' you tried [A] to explain  
 [Bm7] And darlin' I [D] love you so  
 [E7] that's the reason I just let you go

Chorus

[Bmaj7] I can't [Emaj7] help it honey,  
 [Bmaj7] you're that much a part [Emaj7] of me now  
 [Bmaj7] Remember the night [Emaj7] in Montana when  
 we [Dmaj7] said there'd be no room for [E7] doubt

[A] I hope you're en[D]joyin' the scenery  
 [E7] I know that it's [A] pretty up there  
 We can go [D] hikin on Tuesday  
 [E7] with you I'd walk [A] anywhere  
 [Bm7] California has [D] worn me quite thin  
 [E7] I just can't wait to see you again

Chorus

I spent [A] four lonely [C#m7] days in a [D] brown L.A. [E7] haze  
 and I [D] just want you [E7] back by my [G] side [D] [A]
