

Down In The Boondocks

Intro: [A] [G] [D] [D]

Chorus:

[D] Down in the boondocks

[G] Down in the boondocks

[A] People put me down 'cause

[G] That's the side of town I was [D] born in

I love her she loves me but

[G] I don't fit in her society

[A] Lord have mercy on the

[G] boy from down in the [D] boondocks

[D] Ev'ry night I watch the lights from the

[G] house up on the [D] hill

I love a little girl who [Bm7] lives up there and I

[F#7] guess I always [Bm7] will

But [G] I don't dare knock [A7] on her door

'Cause her [G] daddy is my boss [A7] man

So [G] I'll just have to [A7] be content

Just to [G] see her when ever I [A7] can

Chorus

[D] One fine day I'll find the way to

[G] move from this old [D] shack

I'll hold my head up [Bm7] like a king and I

[F#7] never never will look [Bm7] back

Un[G]til that morning I'll [A7] work and slave

And [G] I'll save ev'ry [A7] dime

But to[G]night she'll have to [A7] steal away

To [G] see me one more [A7] time

Chorus

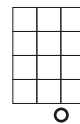

[A] Lord have mercy on the

[G] boy from down in the [D] boondocks

[A] Lord have mercy on the

[G] boy from down in the [D] boondocks
