

# For Ever And Ever Amen

Randy Travis

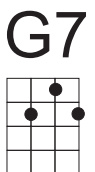

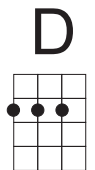

[C] You may think that [F] I'm talkin' [C] foolish  
You've [F] heard that I'm wild and I'm [C] free  
You [F] may wonder how I can [C] promise you now  
this [D] love that I feel for you [G7] always will be  
But [C] you're not just [F] time that I'm [C] killin'  
I'm [F] no longer one of those [C] guys  
As [F] sure as I live this [C] love that I give  
Is [D7] gonna be yours until the [G] day that I die

Oh baby [C] I'm gonna [F] love you for [C] ever  
For [F] ever and ever a [C] men  
As [F] long as old men sit and [C] talk about the weather  
As [D7] long as old woman sit and [G] talk about old men  
If you [C] wonder how [F] long I'll be [C] faithful  
I'll be [F] happy to tell you [D7] again  
I'm [F] gonna [D] love you for [C] ever and [F] ever  
For [D7] ever and [G7] ever a [C] men

They say time takes its [F] toll on a [C] body  
Makes a [F] young girls brown hair turn [C] gray  
Well [F] honey I don't care I ain't in [C] love with your hair  
And if it [D] all fell out we'll I'd [G7] love you anyway  
They say [C] time can play [F] tricks on a mem[C]ry  
Make [F] people forget things they [C] knew  
Well it's [F] easy to see it's [C] happenin' to me  
I've [D7] already forgotten every [G] woman but you

Oh darlin' [C] I'm gonna [F] love you for [C] ever  
For [F] ever and ever a [C] men  
As [F] long as old men sit and [C] talk about the weather  
As [D7] long as old woman sit and [G] talk about old men  
If you [C] wonder how [F] long I'll be [C] faithful  
Just [F] listen to how this song [D7] ends  
I'm [F] gonna [D] love you for [C] ever and [F] ever  
For [D7] ever and [G7] ever a [C] men  
I'm [F] gonna [D] love you for [C] ever and [F] ever  
For [D7] ever and [G7] ever  
For [Am] ever and [F] ever  
For [D7] ever and [G7] ever a [C] men
