

Good Riddance

[G¹] [C⁹] [D¹] [G¹] [C⁹] [D¹]

[G¹] Another turning point,
a [C⁹] fork stuck in the [D¹] road

[G¹] Time grabs you by the [C⁹] wrist,
directs you where to [D¹] go

[Em] So make the [D] best of this

[C] test, and don't ask [G] why

[Em] It's not a [D] question, but a

[C] lesson learned in [G] time

[Em] It's something unpre[G]dictable,
but [Em] in the end is [G] right,

I [Em] hope you had the [D] time of your [G¹] life.

[G¹] [C⁹] [D¹] [G¹] [C⁹] [D¹]

[G¹] So take the photographs,
and [C⁹] still frames in your [D¹] mind

[G¹] Hang it on a shelf in

[C⁹] good health and good [D¹] time

[Em] Tattoos of [D] memories and

[C] dead skin on [G] trial

[Em] For what it's [D] worth it was

[C] worth all the [G] while

[Em] It's something unpre[G]dictable,
but [Em] in the end is [G] right,

I [Em] hope you had the [D] time of your [G¹] life

[G¹] [C⁹] [D¹] [G¹] [C⁹] [D¹]

[Em] It's something unpre[G]dictable,

but [Em] in the end is [G] right,

I [Em] hope you had the [D] time of your [G¹] life

[G¹] [C⁹] [D¹] [G¹] [C⁹] [D¹]

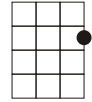

[Em] It's something unpre[G]dictable, but

[Em] in the end is [G] right,

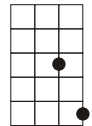

I [Em] hope you had the [D] time of your [G¹] life

[G¹] [C⁹] [D¹] [G¹] [C⁹] [D¹]
