

In The Pines

[D] My girl, my **[D7]** girl, don't **[G]** lie to **[F]** me
Tell me **[A7]** where did you sleep last **[D]** night
In the pines, in the **[D7]** pines

Where the **[G]** sun don't ever **[F]** shine
I would **[A7]** shiver the whole night **[D]** through

Her husband, **[D7]** was a **[G]** railroad **[F]** man
[A7] 'Bout an hour from **[D]** town

His head was **[D7]** found in a **[G]** driving **[F]** wheel
But his **[A7]** body never was **[D]** found

[D] My girl, my **[D7]** girl, don't **[G]** lie to **[F]** me
Tell me **[A7]** where did you sleep last **[D]** night
In the pines, in the **[D7]** pines

Where the **[G]** sun don't ever **[F]** shine
I would **[A7]** shiver the whole night **[D]** through

My girl, **[D7]** my girl, what **[G]** have I **[F]** done
[A7] Makes you treat me **[D]** so

You caused me to **[D7]** weep, You **[G]** caused me to **[F]** moan
You **[A7]** caused me to leave my **[D]** home

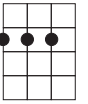

[D] My girl, my **[D7]** girl, don't **[G]** lie to **[F]** me
Tell me **[A7]** where did you sleep last **[D]** night
In the pines, in the **[D7]** pines

Where the **[G]** sun don't ever **[F]** shine
I would **[A7]** shiver the whole night **[D]** through

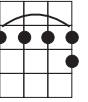

My girl, **[D7]** my girl, where **[G]** will you **[F]** go
I'm **[A7]** going where the cold wind **[D]** blows
In the pines, in the **[D7]** pines

Where the **[G]** sun don't ever **[F]** shine
I would **[A7]** shiver the whole night **[D]** through
