

Just A Little Lefse

Intro: Yust a little [G7] lefse vill go a long [C] vay.

Chorus:

[G7] Yust a little [A7] lefse vill go a long [D7] vay.
Gives you inde[G7]yestion most all of the [C] day.
Put it on your [A7] menu; you'll be sure to [D7] say
Yust a little [G7] lefse vill go a long [C] vay.

[C] Lefse's good for [Dm] many [G7] things
[C] Ve can [G7] give you [C] proof,
For [G7] tiling on the kitchen floor or
[C] patching [G7] up [G7+5] the [C] roof.
People sometimes [Dm] use it [G7] as the [C] soles
up[G]on their [A7] feet,
And [D7] some folks think it's even good to [G7] eat [D7] [G7]

Chorus

Leif [C] Erickson once [Dm] had a [G7] boat
It [C] was a [G7] leaky [C] scow.
He [G7] said, "To beat Columbus we has
[C] got to [G7] leave [G7+5] right [C] now."
The boat was leaking [Dm] badly [G7] as they
[C] neared the [G] US[A7]A,
But he [D7] plugged the holes; yeah,
Lefse saved the [G7] day.

Chorus

[C] If you know what [Dm] lefse [G7] is
Then [C] you can [G7] under[C]stood
It [G7] looks and feels like plastic and
it [C] tastes just [G7] like [G7+5] ply[C]wood
We don't know what in[Dm]vented [G7] it
We [C] don't know [G] who's to [A7] blame, But
[D7] if you are Norske, you eat it just the [G7] same
Chorus
