

Keep On The Sunny Side

There's a [F] dark and a [Bb] troubled side of [F] life
There's a bright, there's a sunny side, [C7] too
Though we meet with the darkness and [F] strife
The [C7] sunny side we also may [F] view

Chorus:

[F] Keep on the sunny side,
[Bb] always on the [F] sunny side,
Keep on the [G7] sunny side of [C7] life
It will [F] help us ev'ry [F7] day,
it will [Bb] brighten all the [F] way
If we keep [Bb] on the [G7] sunny [C7] side of [F] life

The [F] storm and its [Bb] fury broke to [F] day,
Crushing hopes that we cherish so [C7] dear
Clouds and storms will, in time, pass a [F] way
The [C7] sun again will shine bright and [F] clear

Chorus

Let us [F] greet with the [Bb] song of hope each [F] day
Though the moment be cloudy or [C7] fair
Let us trust in our Saviour al[F] ways
Who [C7] keepeth everyone in His [F] care
