

Lean On Me

[F] Sometimes in our [Bb] lives
 We all have [F] pain, we all have [Am] sor[C]row
 [F] But if we are [Bb] wise
 We know that [F] there's always to[C]mor[F]row

Lean on me when you're not [Bb] strong
 And I'll be your [F] friend, I'll help you [Am] carry [C] on
 [F] For it won't be [Bb] long
 'Til I'm gonna [F] need somebody to [C] lean [F] on

Please, swallow your[Bb] pride
 If I have [F] faith you need to [Am] bor[C]row
 [F] For no one can [Bb] fill those of your [F] needs
 That you won't [C] let [F] show

You just call on me, brother, when you need a hand
 We all need somebody to [C] lean [F] on
 I just might have a problem that you'll understand
 We all need somebody to [C] lean [F] on

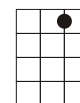

Lean on me when you're not [Bb] strong
 And I'll be your [F] friend, I'll help you [Am] carry [C] on
 [F] For it won't be [Bb] long
 'Til I'm gonna [F] need somebody to [C] lean [F] on

You just call on me, brother, when you need a hand
 We all need somebody to [C] lean [F] on
 I just might have a problem that you'll understand
 We all need somebody to [C] lean [F] on

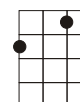

[F] If there is a [Bb] load
 You have to [F] bear that you can't [Am] car[C]ry
 [F] I'm right up the [Bb] road, I'll share your [F] load
 If you just [C] call [F] me

[Bb] Call [F] me if you need me
 [Bb] Call [F] me when you want me
 [Bb] Call [F] me if you need me
 [Bb] Call [F] me when you want me
 [Bb] Call [F] me

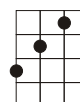

First Note
