Intro: [C] [C] [G7] \ [F] \ [C]

[C] Just about a year ago

I [F] set out on the [C] road

Seekin' my [C/B] fame and [Am] fortune

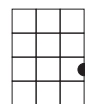

[F] Lookin' for a pot of [G7] gold

[C] Things got [C/B] bad and [Am] things got worse

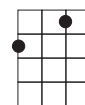

I [F] guess you know the [C] tune

Oh Lord, [G7] stuck in Lodi a[F]gain [C]

Rode in on the Greyhound

I'll be [F] walkin' out if I [C] go

I was just [C/B] passin' [Am] through

Must be [F] seven months or [G7] more

[C] Ran out of [C/B] time and [Am] money

[F] Looks like they took my [C] friends

Oh Lord, I'm [G7] stuck in Lodi a[F]gain [C]

A man from the magazine

[F] Said I was on my [C] way

Somewhere I [C/B] lost con[Am]nections

[F] Ran out of songs to [G7] play

I [C] came into [C/B] town, a [Am] one night stand

[F] Looks like my plans fell [C] through

Oh Lord, [G7] stuck in Lodi a[F]gain [C]

Interlude: [C] [C] [F] [C] [C] [C] [G7] \ [F] \ [C]

If I only had a dollar

For [F] every song I've [C] sung

Every [C/B] time I [Am] had to play

While [F] people sat there [G7] drunk

You [C] know, I'd [C/B] catch the [Am] next train

[F] Back to where I [C] live

Oh Lord, [G7] stuck in a Lodi a[F] gain [C]

Oh Lord, [G7] I'm stuck in a Lodi a[F]gain [C]
