

# Move It On Over

B258

Came [D] in last night about a half past ten  
That baby of mine wouldn't let me in  
So [G7] move it on over (move it on over)  
[D] Move it on over (move it on over)

Move [A7] over little dog cause the [G7] big dog's movin' [D] in [A7]

She's [D] changed the lock on my front door  
now my door key, don't fit no more  
So [G7] get it on over (move it on over)  
[D] Scoot it on over (move it on over)  
Move [A7] over skinny dog cause the [G7] fat dog's moving [D] in [A7]

This [D] dog house here is mighty small  
But it's sure better than no house at all  
So [G7] ease it on over (move it on over)  
[D] Drag it on over (move it on over)  
Move [A7] over old dog cause a [G7] new dog's moving [D] in [A7]

She [D] told me not to play around  
But I done let the deal go down  
So [G7] pack it on over (move it on over)  
[D] Tote it on over (move it on over)  
Move [A7] over nice dog cause a [G7] mad dog's moving [D] in [A7]

She [D] warned me once, she warned me twice  
But I don't take no one's advice  
So [G7] scratch it on over (move it on over)  
[D] Shake it on over (move it on over)  
Move [A7] over short dog cause a [G7] tall dog's moving [D] in [A7]

She'll [D] crawl back to me, on her knees  
I'll be busy scratchin' fleas  
So [G7] slide it on over (move it on over)  
[D] Sneak it on over (move it on over)  
Move [A7] over good dog cause a [G7] bad dog's moving [D] in [A7]

Re[D]member pup, before you whine  
That side's yours and this side's mine  
So [G7] shove it on over (move it on over)  
[D] Sweep it on over (move it on over)  
Move [A7] over cold dog cause a [G7] hot dog's moving [D] in [A7]
