

Seems like **[A7]** old times,
having you to walk with
Seems like **[D7]** old times,
having you to talk with
And it's **[Dm]** still a **[G7]** thrill just
to **[C6]** have my arms a **[A7]** round you
[D7] Still the thrill that it
[G7] was the day I found you

[N.C.] Seems like **[A7]** old times,
dinner dates and flowers
Just like **[D7]** old times,
staying up for hours
Making **[Dm]** dreams come **[G7]** true,
doing **[C6]** things we used to **[A7]** do
Seems like **[D7]** old **[G7]** times
being here with **[C]** you **[F]** **[C]**
