

## Smiles

[NC] There are [D7] smiles that make us happy  
There are [G] smiles that make us blue  
There are [B7] smiles that steal away the [Em] teardrops  
As the [A7] sunbeams drive away the dew [D7][Cm6][D7]

[NC] There are [G7] smiles that have a tender meaning  
That the [C] eyes of love alone may see  
[NC] And the [C#dim] smiles that fill my heart with [G] sunshine  
[NC] Are the [D7] smiles that you [Am7] gave [D7] to [G] me  
[Am7][Cm6][G]

2ND time through – instead of singing the word  
'smile', you actually smile
