

## Teach Your Children

**[C]** You, who are on the **[F]** road  
 must have a **[C]** code that you can **[G7]** live by.  
 And **[C]** so become your **[F]** self  
 because the **[C]** past is just a **[G7]** good bye.  
**[C]** Teach your children **[F]** well,  
 their father's **[C]** hell did slowly **[G7]** go by,  
 And **[C]** feed them on your **[F]** dreams,  
 the one they **[C]** pick the one you'll **[G7]** know by.  
**[C]** Don't you ever ask them **[F]** why,  
 if they told you, you would **[C]** cry,  
 So just look at them and **[Am]** sigh **[F]**  
**[G7]** and know they **[C]** love you. **[F]** **[G7]**

And **[C]** you, of the tender **[F]** years  
 can't know the **[C]** fears that your elders **[G7]** grew by,  
 And so please **[C]** help them with your **[F]** youth,  
 they seek the **[C]** truth before they can **[G7]** die.  
**[C]** Teach your parents **[F]** well,  
 their children's **[C]** hell will slowly **[G7]** go by,  
 And **[C]** feed them on your **[F]** dreams,  
 the one they **[C]** pick, the one you'll **[G7]** know by.  
**[C]** Don't you ever ask them **[F]** why,  
 if they told you, you would **[C]** cry,  
 So just look at them and **[Am]** sigh h**[F]**  
**[G7]** and know they **[C]** love you.
