Well [D] life on a farm is kinda laid [G] back

It's [D] early to rise, early in the [G] sack
Thank [D] God I'm a [A] country [D] boy

A [D] simple kind of life never did me no [G] harm
[D] Raisin' me a family and [C] workin' on a [A] farm
My [D] days are all filled with an easy country [G] charm

Thank [D] God I'm a [A] country [D] boy

When the [D] work's all done and the sun's settin' [G] low
I [D] pull out my fiddle and I [C] rosin' up the [A] bow
But the [D] kids are asleep so I keep it kinda [G] low
Thank [D] God I'm a [A] country [D] boy

[D] I'd play "Sally Goodin" all day if I [G] could
But the [D] Lord and my wife wouldn't [C] take it very [A] good

Thank [D] God I'm a [A] country [D] boy

I [D] wouldn't trade my life for diamonds or [G] jewels
I [D] never was one of them [C] money-hungry [A] fools

Thank [D] God I'm a [A] country [D] boy

Yeah [D] city folk drivin' in a black limou[G]sine
A lotta [D] sad people [C] thinkin' that's mighty [A] keen
Well, [D] son let me tell you now exactly what I [G] mean
I thank [D] God I'm a [A] country [D] boy

Well, my [D] fiddle was my daddy's till the day he [G] died
And he [D] took me by the hand and held me [C] close to his [A] side

And thank [D] God you're a [A] country [D] boy"

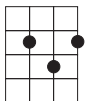

My daddy [D] taught me young how to hunt and how to [G] whittle
He [D] taught me how to work and play a [C] tune on the [A] fiddle
