

Who's Gonna Play This Ukulele

[G] Who's gonna play this ukulele
[C] after we're not **[G]** here
Who's gonna sing these sad songs to you,
[A] Cause your eyes to **[D7]** fill with tears
[G] Who's gonna keep these strings a-hummin'
[C] like we're doin' **[G]** now
[C] Who's gonna **[F#dim]** play these **[G]** u**[E7]**kuleles
[A7] after **[D7]** our last bow **[G]**

[D7] When that final curtain falls
[G] and someday **[C]** Lord it **[G]** will
[C] Who'll take **[F#dim]** our place **[G]** on that **[E7]** stage when
[A] everything is **[D7]** hushed and still
[G] Who's gonna touch these strings with feelin'
[C] really get to **[G]** you
[C] Who's gonna **[F#dim]** play these **[G]** u**[E7]**kuleles
[A7] when our **[D7]** time is through **[G]**

[D7] We've laughed and you know we've cried together
[G] done a **[C]** million **[G]** shows
[C] So I **[F#dim]** kinda **[G]** think **[E7]** like I
[A] have every single **[D7]** right to know
[G] Who's gonna keep this music going
[C] who will carry **[G]** on
[C] Who's gonna **[F#dim]** play these **[G]** u**[E7]**kuleles
[A7] after **[D7]** we're all gone **[G]**
