B391

[C] Who's peeking [Bb] out from [F] under a [C] stairway  
Calling a [Bb] name that's [F] lighter than [G] air?

[C] Who's bending [Bb] down to [F] give me a [C] rainbow?  
Everyone [Bb] knows it's [F6] Wind[C]y

[C] Who's tripping [Bb] down the [F] streets of the [C] city  
Smiling at [Bb] every[F]body she [G] sees?

[C] Who's reaching [Bb] out to [F] capture a [C] moment?  
Everyone [Bb] knows it's [F6] Wind[C]y

[N.C.] And Windy has [Dm7] storm[G7]y [C] eyes  
That flash at the [Dm7] sound of [G] lies  
And Windy has [Dm7] wings [G7] to [C] fly  
Above the [Dm7] clouds above the clouds  
Above the clouds above the clouds

[C] Who's peeking [Bb] out from [F] under a [C] stairway  
Calling a [Bb] name that's [F] lighter than [G] air?

[C] Who's bending [Bb] down to [F] give me a [C] rainbow?  
Everyone [Bb] knows it's [F6] Wind[C]y
